SUBJECT: Phone Directory

I would like to compliment you on your directory. I received one for the first time the other day and it's a great publication. I hope to receive one every year. Your directory is laid out much better than Thunder Bay Telephone Directory; and it even includes listings for surrounding areas (something the people in this office find very useful).

I've had numerous calls this past summer looking for the provincial parks listing in the new Thunder Bay Directory, people just can't find it - I even had a hard time finding it! When I finally did, it was under 'Camping'. Your publication has us listed under 'Parks' - exactly where it should be.

Thanks again and keep up the good work.
